

# Make a difference... ADOPT A KENNEL today!

**W**hether you wish to advertise your company, memorialize a loved one, honor your special furry friend, or you are just searching for the perfect gift for the "hard to buy for" person – Adopting a Kennel is just for you! Adopting a Kennel is a great way to show your love of animals and support the Coconino Humane Association's mission to shelter and adopt homeless animals in Northern Arizona.

When you Adopt a Kennel you are providing needed financial support for the animals staying in your sponsored kennel such as medical care, pet food, and for future renovation plans to provide increased space, comfort, and enrichment. We can't do this alone and we need our community's support!

## As an Adopt a Kennel sponsor you will receive:

- 🐾 A Kennel Plaque displaying your name or business name and logo placed on the kennel for one (1) year.
- 🐾 A Certificate of Sponsorship.
- 🐾 Your name or company name posted on our website and highlighted on social media.
- 🐾 Your sponsorship acknowledged annually in our newsletter.
- 🐾 Potential tax benefits (see your tax specialist for more information)
